Profile

I'm a passionate Full Stack Developer experienced in React, Node.js, and building RESTful APIs. I love solving real-world problems through code.

Skills

- HTML
- CSS
- JavaScript
- React
- Responsive Design
- Node.js
- MongoDB
- Express.js
- RESTful APIs

Education

OND Bus Admin & Management
Ogun State Institute of Technology (OGITECH)   2015

Bsc. Business Administration
University of Lagos (UNILAG)   2026

Projects

Happy_Glams Beauty

Tech Stack: React, Node.js, Express, MongoDB

A full-featured beauty and cosmetics platform offering makeup services and product sales.

- Developed a modern e-commerce site with product filtering, checkout, and service booking.
- Integrated a custom backend API with secure data handling.
- Designed a gallery page showcasing before/after results with lightbox and filter options.

Iya-Ilu – Talking Drum Showcase

Tech Stack: React, JSON API, CSS

A cultural and educational platform centered on the Yoruba talking drum, Iya-Ilu.

- Built a dynamic gallery of drum types using local JSON and React.
- Implemented route-based navigation with a full-screen image landing page.
- Added filter and detail views to enhance user experience and cultural exploration.

Pharma Project Manager

Tech Stack: React, Node.js, MongoDB

A project management tool tailored for the pharmaceutical industry.

- Developed compliance tracking and report generation pages.
- Built a multi-page interface with React Router and protected routes.
- Focused on usability, project lifecycle management, and regulatory documentation.

Experience

Full Stack Developer

Leadpay Limited   **Feb 2023 – Dec 2023**

- Launched a new e-commerce platform, increasing sales by 40%
- Refactored legacy code, reducing system errors by 50%
- Collaborated with a cross-functional team to build and enhance UI components using React.

Internships

- Assisted in backend API development using Express.js
- Contributed to frontend features in React projects

Freelance Developer

- Developed Happy_Glams: A makeup e-commerce and portfolio site
- Built Pharma Project Manager: A compliance/reporting app
